

# Bluetooth® Cable

- Full Resolution Audio
- aptX® technology
- Use with any MMCX compatible earphone

## Overview

Westone's Bluetooth® cable is powered by aptX® and tuned by Westone to provide the best listening experience possible to enjoy pure, full-resolution wireless sound.

Equipped with Westone's MMCX Audio™ Connector, the only connector designed specifically for earphones, ensuring a reliable connection every time.

**IDEAL FOR:** On-the-go personal listening. Pairs with most smart phones and Bluetooth enabled audio devices.

### Bluetooth 4.0 Wireless

Energy efficient Bluetooth 4.0 with full 3-button functionality allows you to connect to and control your music and phone calls without taking your phone out of your pocket.

### Built in Microphone

For clear communication on phone calls and for use with mobile intelligent personal assistants such as Siri, Cortana, and Google Now.

### MMCX Audio™ Removable Connection

Equipped with Westone's MMCX Audio™ Connector, the only connector designed specifically for earphones, ensuring a reliable connection every time. Compatible with all Westone earphones with an MMCX Connector (universal and custom).

### 8 Hour Battery Life

Up to eight hours of solid playback time, even longer when in standby; quick recharge time.

### 10m (32') Range

Westone's Bluetooth cable gives you extensive latitude in your movements without worrying about tangled cords or fumbling with your phone.

### Water/Dust Resistant

IPX4-Rated to keep your Bluetooth cable safe from splashing/spraying water, dust, and perspiration.
