Product Reference Guide

Attenuating Custom Communication Earpiece System

ACCES Communications Earpiece

Modular silicone earpiece designed for aircrew (vented) and ground crew (non-vented) use.

AXAMK

AXGMK

Deluxe Monitor Case

This case features an airtight, waterproof seal and is virtually crush proof. Stores ACCES earpieces & cable neatly & includes an ACCES I.D. Tag.

Part# 79210

ACCES Modular Cable

The ACCES modular cable features a dual flange housing that contains a balanced armature driver and fits AXAMK and AXGMK communication earpieces.

Part# 79801

Part# 79802 (-6 dB)

Part# 79803 (-14 dB)

Wingman Stereo Cable

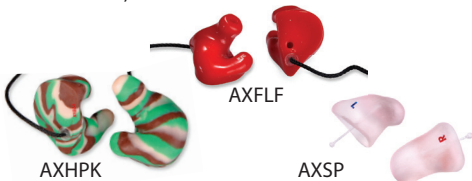

Speaker includes single balanced armature and 3.5 mm stereo plug. P/N AXMMC is available as a bundle with AXAMK/AXGMK. Wingman turns your ACCES earpieces into a high performance personal listening earphone with mic, same as our AXSWC (CR10).

Part# 79820

Hearing Protection

Custom hearing protection earpieces provide maximum noise suppression (up to 30 dB) for any high-noise environment. All models can be full shell or half, vented or non-vented.

AXFLF

AXHPK

AXSP

Flight Mask Communications Cable

The ACCES Flight Mask communications cable connects the ACCES modular cable and mask microphone to the aircraft communication system.

Part# 79830

UACV (Universal Audio Cable Verification Test Set)

Performs a frequency response test on the ACCES cable assembly. Detects performance degradation at three discrete frequencies.

Part# 79751

ACCES Helo Cable

ACCES modular cable with micro speaker designed specifically for "L" SMB connections. Fits AXAMK/AXGMK communication earpieces.

Part# 79812
